ENROLLMENT INFORMATION: Grade level is determined by the grade the student will enter in August 2017. Registration is on a first-come, first-served basis, beginning March 20. Classes are offered subject to enrollment and are limited to 20-25 students. Confirmation of classes will be sent to parents/guardians via email or mail. Enrollment continues as long as space is available. Children may not visit classes as a guest.

FEES: Tuition for full program is \$550 per child (or \$525 if you register by April 15). See registration form for weekly pricing options. Some classes have a materials fee in addition to the tuition that is non-refundable and non-transferable after May 15. ALL FEES MUST BE PAID BY MAY 15. Make checks payable to: Santa Monica-Malibu Council of PTAs. No students will be allowed to attend class without full payment. Bank-returned checks are subject to a \$25 fee and will disqualify the student from the program until a cash payment is received. A non-refundable, non-transferable \$6 per-student convenience fee is charged when a credit card is used.

TUITION REFUND POLICY: Full refund less \$25 handling fee if cancellation is received by May 15. NO REFUNDS AFTER MAY 15.

SCHOLARSHIP INFORMATION: Scholarships are only considered for students enrolled in SMMUSD for August 2017. Scholarship prices apply to the full program; they are not pro-rated. Please submit a copy of your student's free or reduced lunch eligibility notification letter with your registration no later than **May 1**. If you do not have your letter, please contact Patsy Herschberger in SMMUSD Food Services to obtain a new copy (pherschberger@smmusd.org, 310-450-8338 x70228). **For students NOT on free or reduced lunch**, an application for reduced tuition may be requested from the Summer Adventure Office. The minimum scholarship rate of \$75 is due with Summer Adventure application. Late applications will be accepted at the discretion of the Principal.

CHILD CARE: Child Development Services will offer child care from 7AM to 8:30AM and 12:30PM to 6PM daily. See attachment for fees and enrollment information. Visit www.smmusd.org/CDS or call Sharon Lee at 310-399-5865 x79523.

WEEK ONE (JUNE 19 – 23): MOVERS, SHAKERS, GIZMO MAKERS

8:30 AM – 12:30 PM

This week's classes are focused on STEAM – Science, Technology, Engineering, Arts, Mathematics.

<p>Kindergarten From exploring inner workings of machines to the building blocks of reading, this class will be a masterful mix of exploring and doing. We will engage in hands-on activities to understand how things work, and also try our hand at creative inventing. Sign up for this week and show what you can do! Materials Fee \$20 Ken Harris</p>	<p>Grades 1-2 Let's create gizmos that spin, float, launch, fly and POP! We will sample simple machines and also build objects that move! STEAM-inspired projects investigate the properties of matter, light, magnets and sound. We will take our hands-on learning outside and explore pressure and projectiles. Future inventors will listen to stories that inspire and illustrate the joy of discovery! Materials Fee \$20 Kim Brown</p>
<p>Grades 3-5 Put your engineering and problem-solving skills to the test as you use everyday materials to work through daily STEAM challenges. These challenges will have you planning, building, creating, discovering, testing, improving, sharing and learning while using your skills as a scientist, engineer, artist and mathematician. Materials Fee \$20 Amy Stark</p>

WEEK TWO (JUNE 26 – JUNE 30): NATURE GONE WILD!

8:30 AM – 12:30 PM

Kindergarten

Come get immersed in a habitat a day! Learn about the flora and fauna that thrive and survive in various places around the planet. Whether it's the deep dark ocean, chilly Antarctica or the beautiful tropics, we'll read, write, problem-solve and create art about one habitat each day. This is the week for animal lovers and lovers of learning.

Materials Fee \$20

Ken Harris

Grades 3-5

Become an environmental scientist for the week! Our class of scientists will explore environmental science each day through literature, STEAM activities, experiments, investigations, art, games, music and cooking. Our scientists will leave with a greater awareness of our environment and the influence we have on it.

Materials Fee \$20

Amy Stark

Grades 1-2

Come explore your amazing environment! You will learn about rocks and minerals, discover paths of erosion and create crystals. Swirl a tornado and create rain as we investigate weather and the water cycle. We'll learn about animals and building habitats, and will even create a shelter and learn some outdoor camping basics. Nature scavenger hunt and stories included!

WEEK THREE (JULY 3 – JULY 7): POP CULTURE EXPLOSION

8:30 AM – 12:30 PM (closed July 4)

Kindergarten

Art comes in many shapes, colors and styles. We will try to explore as many forms as possible with a wide variety of media. We'll paint, draw, sculpt and create like artists from around the world. You will not only practice artistic skills, but you will also explore some historical and cultural context to help round out learning. Your inner artist is sure to blossom by the end of this exciting week!

Materials Fee \$20

Ken Harris

Grades 3-5

Calling all artists! Each day we will learn about a new Pop Artist: David Hockney, Andy Warhol, Jasper Johns, Roy Lichtenstein and Jim Dine. We will research about the artist and then create multiple masterpieces using our own ideas and creativity based on each artist's techniques. We'll showcase our masterpieces on the final day of the session.

Materials Fee \$20

Amy Stark

Grades 1-2

Express yourself with an "explosion" of art projects that focus on popular culture. Individual and group expression may take the form of comics, collage, sculpture, paint or clay. Learn about the animation of Pixar and Studio Ghibli of Japan, take a look at different cultures and artists through stories and examples of art, and create a piece of art inspired by another culture. Please bring your curiosity and imagination!

WEEK FOUR (JULY 10 – 14): LIGHTS, CAMERA, ACTION

8:30 AM – 12:30 PM

Kindergarten

From puppets to pantomime, we will explore a variety of ways to express ourselves through the dramatic arts. Whether performing a Readers Theater or doing a puppet show, we'll engage in performance and storytelling and also learn to appreciate the performances of others. Being confident and comfortable at school will be the ultimate outcome for those who sign up for this week.

Materials Fee \$20

Ken Harris

Grades 3-5

Get ready to step out of your shoes and be someone or something else during this week full of drama games, exercises and mini performances. All of these exciting activities will lead up to a musical celebration with sets and costumes created by you and performed by you!

Materials Fee \$20

Amy Stark

Grades 1-2

Follow the "Yellow Brick Road" into the world of performance art! Learn about what happens behind the scenes as we explore masks, costumes, makeup, props and set design. We'll watch movie clips, discuss scenes, and create story boards and characters. Engaging in movement and drama games will be part of this exciting week. Possibilities for a final performance may include stop animation, skits or a group play.

Materials Fee \$20

WEEK FIVE (JULY 17 – 21): GLOBAL FOOD FRENZY

8:30 AM – 12:30 PM

This week we will prepare tasty treats, so please be sure to list any food allergies on your child's emergency card.

Kindergarten

Ready, Set, Eat! Come join us as we travel the world through our stomachs and learn about different people, cultures and celebrations. From drinks to desserts and all the yummy noshes in between, this week will be a tasty blast. We will practice good cooking habits, learn some food science and have the opportunity to try new and interesting flavors.

Materials Fee \$20

Ken Harris

Grades 3-5

Our global adventures will take us on a trip each day to a different continent where we'll learn about customs and favorite foods enjoyed there. Making and tasting food while partaking in stories, games and art will fill our adventurous week. An end-of-the-week celebration will include a presentation of these unique places...all while staying in lovely Malibu.

Materials Fee \$20

Amy Stark

Grades 1-2

Grab your passport as we cook, taste and listen to music of global cultures. Come fill a French crepe, fold a wonton, layer a trifle and flip a flapjack. Roll back the clock and read stories of food from the past and discover how people survived without a supermarket. Examine fresh veggies from a local farm and learn to create a menu from scratch! We'll prepare tasty culinary delights and join our fellow campers as we wrap up Summer Adventure with a global food social.
